I do not have a problem with the extension. However, the hearing date would have to be moved, and probably so would the trial date. Judge Duryee would have to approve and I don't think she would be happy about it, as the case is "old."

Subject: Request for Extension to file Opposition to SJ Motion

Dear Mr. Wilson:

I am just back in Canada, do not have computer or documents. I am requesting your agreement to a one month extension of time in which to file my opposition.

I do not have a phone yet, but I am able to receive e-mail. Please let me know immediately if you will agree to a one month extension.

Yours sincerely,  
Gerry Armstrong
